

Creating a New Slider

1. Login to your WordPress admin panel and click on **Master Slider** in the admin sidebar menu.
2. In Master Slider page, click on **Create New Slider** button.

1. Now a pop-up window will be opened as shown in the screenshot.
2. Select slider type and press **CREATE** button.

Your request will proceed and you will be redirected to Master Slider's panel page.

i If you like one of the Master Slider samples you can simply pick one, and start customizing it.
